RULES FOR TIES IN QUALIFYING PLACES:

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. If the highest and lowest points are eliminated, only the remaining points for type and movement are considered in the tiebreak. Failing a decision on either of these, one judge chosen by ballot whose class scores will be used to break the tie.

RULES FOR CHAMPIONSHIPS:

In a GCAT Americas show where the total number of entered horses is **less than 180**, the **top five horses qualify** for the following championships: Yearling Males, Yearling Females, Junior Males, Junior Females, Senior Males, and Senior Females. If the number of entered horses is **more than 180**, **only the top 3 qualify** for the championships. The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship.

The Championships will be judged by the following: all the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers. The horses will be judged individually, standing and trotting. Each judge will nominate his/her choice for gold, silver, and bronze medals together at the same time, from amongst all the horses qualified for the championship. Points will be given to the nominated horses by the following: a horse nominated by a judge for gold medal will receive 4 points. A horse nominated by a judge for silver medal will receive 2 points. A horse nominated by a judge for bronze medal will receive 1 point. The gold medal will be awarded to the horse with the most votes for gold medal champion. In case of an equal number of votes for the gold medal champion, the gold medal will be awarded to the horse with the highest number of championships points. From the remaining horses: the silver medal will be awarded to the horse with the highest number of championship points. The bronze medal will be awarded to the horse with the 2nd highest number of championship points. In the case of a tie, the 'Rules for Ties' in championships will be followed.

The Judges will not discuss the horses. A fourth horse will be selected, which will become the bronze medal winner should one of the three medal winners be disqualified. This horse will not be announced. If two or more of the medal winners are disqualified, no further substitution will be made. All horses that qualify for their respective championships must take part in the championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship. All horses that are awarded a medal in their respective championships must take part in the championship prize-giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. The absence of the horse or any representative to appear in the prize-giving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the championship.

RULES FOR TIES IN CHAMPIONSHIPS:

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tiebreak. If there is still a tie, the rules for ties in qualifying places will be applied.

SHOW OFFICIALS & JUDGING SYSTEM:

Each GCAT Americas Show features a panel of **11 judges: 7 judges on the ground for the qualifying classes, and 9 judges on the ground for the championships**. The electronic scoring system employs five criteria: type, head & neck, body, legs, and movement. Judges assign scores from 1 to 20 points for each criterion, including half-points. The final score for a horse is determined by excluding the highest and lowest scores for each criterion and summing the remaining scores. Horses are ranked based on their final scores.

DISCIPLINARY COMMITTEE:

In a GCAT Americas Show where the total number of entered horses is less than 180, a minimum of 4 members of the Disciplinary Committee is required, including a veterinarian. If the number of entered horses is more than 180, a minimum of 5 members of the Disciplinary Committee is required, including 2 veterinarians. Two Ringmasters are officiating at each GCAT Show.

MEDICATION CONTROL:

The medication testing of all championship medal winners is compulsory. Any horse may be tested at the discretion of the DC and the show organizer. All medication testing will be conducted according to the United States Equestrian Federation (USEF) in Lexington Kentucky.

Should additional GCAT Americas events be added to the calendar, the Organising Committee reserves the right to confirm or adjust the minimum participation requirement, which will be communicated prior to the opening of entries.
