Qatar Airways and GCAT: Unveiling the Wings of Heritage

It is with great pleasure and excitement that I extend my warmest greetings to all enthusiasts of the Global Champions Arabians Tour (GCAT). As the Global Partner of GCAT, we, at Qatar Airways, are honoured to be a part of this remarkable journey that celebrates the magnificence of purebred Arabian horses across the Middle East and Europe.

Arabian horses are the oldest purebred horses in the world. The breed is a beloved cultural icon that has ancient roots in Qatar and throughout the Arabian Peninsula. This year, in February, the first stop on the GCAT series was here in Doha as part of the spectacular Katara International Arabian Horse Festival. Attendees were treated to an exciting competition, with the sport's best handlers boldly guiding the world's most graceful and skillful Arabian horses to perfection.

Qatar Airways continues to bridge people and cultures across the world, fostering inclusiveness, respect, and knowledge exchange. Our passion for building connections mirrors the mission of GCAT, which seeks to promote the uniqueness of Arabian horses and create a legacy of excellence through international collaboration. Just as our airline strives to provide exceptional service and experience to our passengers, GCAT spotlights the majestic Arabian horse and unite its enthusiasts under one platform. It is through our collaboration that we aim to promote the beauty and heritage of Arabian horses while creating unforgettable moments for all who share this passion.

I extend my best wishes to all participants and spectators of GCAT events, and I look forward to witnessing the continued success and growth of this extraordinary endeavour.

Badr Mohammed Al-Meer

Chief Executive Officer of the
Qatar Airways Group

Dévoiler les Ailes de l'Héritage

C'est avec grand plaisir et excitation que j'adresse mes salutations les plus chaleureuses à tous les passionnés du Global Champions Arabians Tour (GCAT). En tant que Partenaire Global du GCAT, nous, chez Qatar Airways, sommes honorés de faire partie de ce voyage remarquable qui célèbre la magnificence des chevaux pur-sang arabes à travers le Moyen-Orient et l'Europe.

Les chevaux arabes sont les plus anciens chevaux de race pure au monde. La race est une icône culturelle bien-aimée qui a des racines anciennes au Qatar et dans toute la péninsule arabique. Cette année, en février, la première étape de la série GCAT a eu lieu à Doha dans le cadre du spectaculaire Festival International du Cheval Arabe de Katara. Les participants ont assisté à une compétition passionnante, où les meilleurs entraîneurs du sport guidaient audacieusement les chevaux les plus gracieux et habiles du monde à la perfection.

Qatar Airways continue de relier les peuples et les cultures à travers le monde, favorisant l'inclusivité, le respect et l'échange de connaissance. Notre passion pour créer des connexions reflète la mission du GCAT, qui cherche à promouvoir l'unicité des chevaux arabes et à créer un héritage d'excellence grâce à la collaboration internationale. Tout comme notre compagnie aérienne s'efforce de fournir un service et une expérience exceptionnels à nos passagers, GCAT met en lumière le majestueux cheval arabe et unit ses passionnés sous une même plateforme. C'est à travers notre collaboration que nous visons à promouvoir la beauté et le patrimoine des chevaux arabes tout en créant des moments inoubliables pour tous ceux qui partagent cette passion.

J'adresse mes meilleurs vœux à tous les participants et spectateurs des événements GCAT, et j'ai hâte d'assister à la réussite continue et à la croissance de cette initiative extraordinaire.

Following the success of previous events in Doha, Abu Dhabi, and Muscat, the fourth stage of the Global Champions Arabians Tour 2024 will commence in Cannes, France, on 11 and 12 June 2024, under the sponsorship of Doha Bank. This Tour is one of the most important events celebrating the beauty of purebred Arabian horses, recognising this facet of our national identity.

Doha Bank's support for the Tour stems from our deep pride in our rich cultural heritage, where equestrianism and Arabian horses hold a central place. We are very pleased to be part of this event and are committed to providing support in all forms to promote our inspiring, deep-rooted culture.

As a global sponsor and banking partner, Doha Bank wishes the Global Champions Arabians Tour organisers and participants the utmost success.

Sheikh Abdulrahman bin Fahad Al Thani

GCEO of the

Après le succès des événements de Doha, Abou Dhabi et Mascate, le Global Champions Arabians Tour s'arrêtera, les 11 et 12 juin à Cannes pour sa quatrième étape. EVENTS

In 2024, there will be a maximum of 7 Global Champions Arabians Tour events, each referred to as a “GCAT Event”.

OVERALL RANKING

The GCAT overall ranking is determined based on the total points earned by each horse and handler across all GCAT Events held during the season. In case of a tie in points at the end of the season, priority will be given to the horse with more placements.

Placements are counted as follows: a first-place result is considered higher than a second-place result, and so on. If a tie persists, the participant with more placements, regardless of their specific ranks, will be ranked higher.

This prioritization ensures that the horse with a greater number of successful event participations is awarded a higher overall ranking, even if the total points are equal.

INDIVIDUAL RANKING

Horses

GCAT assigns points to the top 10 horses in each of its six championship categories at every GCAT event. These categories include Yearling Males, Yearling Females, Junior Males, Junior Females, Senior Males, and Senior Females, totaling 60 horses.

Points are primarily distributed based on the championship points each horse has earned. When championship points are not applicable, rankings are determined by the highest total score in each horse's qualifying classes.

Handlers

GCAT assigns points to the top 10 handlers in each of its six championship categories at every GCAT event, based on the achievements of their horses.

Only the **top 3** results of a handler are taken into consideration in a GCAT Event.

If a tie occurs, the handler with the highest number of participations in GCAT events will be ranked higher. In case the tie persists, the highest number of championship points counts as a tie breaker.

The points are distributed as follows:

1 st place	20 points
2 nd place	17 points
3 rd place	15 points
4 th place	13 points
5 th place	12 points
6 th place	11 points
7 th place	10 points
8 th place	9 points
9 th place	8 points
10 th place	7 points

CONDITION OF ENTRIES

Horses and handlers are eligible to participate in all GCAT Events. Participants may register an unlimited number of owned horses for each GCAT Event; however, the number of leased horses is limited to one per participant.

Entries are open to horses registered in any WAHO-recognized studbook by the closing date. The registration fees are **1000€** for each horse per event, while late entry fees are **10.000€**. Registration fees are non-refundable after the closing date. Owners withdrawing their horses 10 days prior to the show without a valid medical reason will face a penalty of **5.000€**.

Medical certificates must be submitted within 24 hours through the official GCAT registration portal only. GCAT, in accordance with the show organizer, reserves the discretion to accept or decline applications and may close entry forms as needed.

QUALIFICATIONS

Horses, except yearlings, should have qualified for the GCAT event in one of the following ways:

a) ECAHO affiliated Shows:

- I. – 1st – 5th place at the World Championship, a Title, an A, or a B Show
- II. – 1st – 3rd place at a National Championship, a C International or a European Show
- III. – 1st place at a Specific Origin or C National Show

b) USA Shows:

- II. – Champion or Reserve Champion or a 1st place in class at the Scottsdale Show
- III. – Champion or Reserve Champion in Regional Shows
- IV. – Champion or Reserve Champion, or 1st – 3rd place in an official National Championship
- V. – 1st – 3rd place at the Arabian Breeders World Cup show

Only open halter classes will be considered.

Yearlings must be weaned, and they may not be shown with less than 6 months of age.

QUALIFYING CLASSES:

The classes in order of age division for the 2024 GCAT events are as follows:

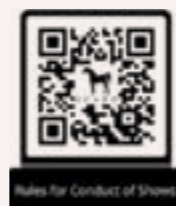

YEARLING FILLIES Born in 2023	YEARLING COLTS Born in 2023
JUNIOR FILLIES Born between 01/01/2021 and 31/12/2022	JUNIOR COLTS Born between 01/01/2021 and 31/12/2022
SENIOR MARES Born before 31/12/2020	SENIOR STALLIONS Born before 31/12/2020

Rules For Ties In Qualifying Places

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. If the highest and lowest points are eliminated, only the remaining points for type and movement are considered in the tie break. Failing a decision on either of these, one judge chosen by ballot will name his preference.

RULES FOR CONDUCT OF SHOWS

All GCAT Events are following the ECAHO Rules of affiliation of Shows, and the rules of the Blue Book.

Show Officials & Judging System

Each GCAT Event ensures a panel of 20 judges, with a ratio of 9 to 11 on the ground and on rotation. The electronic scoring system employs five criteria: type, head & neck, body, legs, and movement. Judges assign scores from 1 to 20 points for each criterion, including halfpoints. The final score for a horse is determined by excluding the highest and lowest scores for each criterion and summing the remaining scores. Horses are ranked based on their final scores.

Disciplinary Committee

A minimum of 4 members of the Disciplinary committee is required, including 2 veterinarians. Two Ringmasters are officiating at a GCAT event.

Medication Control

The medication testing of all Championship Medal winners is compulsory. Any horse may be tested at the discretion of the DC and the show organizer. All medication testing will be conducted according to ECAHO Rules for Medication Control.

RULES FOR CHAMPIONSHIPS:

In a GCAT event where the total number of entered horses does not exceed 180, the top five horses qualify for the following championships: Yearling Males, Yearling Females, Junior Males, Junior Females, Senior Males, and Senior Females. If the number of entered horses is above 180, only the top 3 qualify for the championships.

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship.

Doping will be carried out on all classes of championship winners.

The Championships will be judged by the following: all the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers. The horses will be judged individually, standing and trotting. Each judge will nominate his/her choice for gold, silver, and bronze medals together at the same time, from amongst all the horses qualified for the championship. Points will be given to the nominated horses by the following: a horse nominated by a judge for gold medal will receive 4 points. A horse nominated by a judge for silver medal will receive 2 points. A horse nominated by a judge for bronze medal will receive 1 point. The gold medal will be awarded to the horse with the most votes for gold medal champion. In case of an equal amount of vote for gold medal champion, the gold medal will be awarded to the horse with the highest number of championship points. From the remaining horses: the silver medal will be awarded to the horse with the highest number of championship points. The bronze medal will be awarded to the horse with the 2nd highest number of championship points. In the case of a tie, the 'Rules for Ties' in championships will be followed. The Judges will not discuss the horses. A fourth horse will be selected, which will become the bronze medal winner should one of the three medal winners be disqualified. This horse will not be announced. If two or more of the medal winners are disqualified, no further substitution will be made. All horses that qualify for their respective championships must take part in the championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship. All horses that are awarded a medal in their respective championships must take part in the championship prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the championship.

Rules For Ties In Championship

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tie break. If there is still a tie, the rules for ties in qualifying places will be applied.
