ENTRY & PARTICIPATION

Qualification allows a horse to apply for participation but does not constitute automatic acceptance.

Each championship category is planned for up to 15 horses. Where appropriate and in order to preserve competitive balance across categories, a championship may be expanded to a maximum of 20 horses at the discretion of the Organizing Committee.

Where the number of eligible entries exceeds the planned capacity, or where the Organizing Committee considers it necessary to preserve the sporting standard and competitive quality of a championship, entries may be assessed by reference to the horse's competitive profile during the current season.

In categories where the overall level of entries is deemed to be particularly strong, the Organizing Committee reserves the right to further limit participation to those horses considered to meet the competitive benchmark of that championship, even if this results in fewer than the maximum number of entries.

Final acceptance of all entries shall remain with the Organizing Committee, whose decisions shall be guided by the objective of ensuring that each championship reflects the highest possible standard of qualification.

In accordance with ECAHO Rules, any refusal of entry shall be communicated in writing. The Organizing Committee shall provide a general statement reflecting the basis of its decision.

RULES FOR CONDUCT OF SHOWS

SHOW OFFICIALS & SCORING SYSTEM:

The WAHC Supreme features a panel of sixteen (16) judges: a minimum of eleven (11) active on the ground for each championship, and up to five (5) on rotation, with the majority selected from the EAHSC A and B lists.

The remaining judges shall act solely as observers and shall not be present on the ground. Only one of them, selected by ballot, may be brought to the arena in the case of a dual two-way tie in the Gold Medal nominations, in accordance with the rules for ties set out below.

Judges from non-ECAHO Member Countries must be appointed from the panel of a recognized National Arab Horse Organization and must fulfill all guest judge criteria. Probationary judges are not permitted.

DISCIPLINARY COMMITTEE & RINGMASTERS:

There will be a minimum of five members, the majority of which must be chosen from the EAHSC A or B list of DC members. Included in the Committee will be two Veterinarians. One member from the EAHSC lists of DC members shall be appointed by ECAHO and will be Chairman. At least one member must be able to speak the local language as well as English.

Ringmaster: Two (2) Ringmasters shall officiate at the show.

PRELIMINARY INDIVIDUAL EVALUATION

For each championship category, all accepted horses shall first participate in a preliminary individual evaluation.

All horses accepted for each championship shall enter the arena collectively, in catalogue order, and walk two times around the judging panel. Each horse shall then return individually for the trot and stand-up presentation.

A minimum of five (5) judges, selected by ballot from the judges present in the arena, shall assign marks from 1 to 20, including half points, based on the following criteria: Type, Head, Neck, Body, Legs, and Movement.

The marks for Head and Neck shall be averaged to produce one combined Head & Neck score. The final score shall therefore be calculated on the basis of five criteria: Type, Head & Neck, Body, Legs, and Movement.

The judges will use the electronic scoring system. The system shall calculate the result by averaging the total points awarded by the selected judges, expressed as a score out of 100.

In case of any technical interruption, the manual scoring sheets signed by the judges shall be considered the official reference.

In the event of a tie affecting qualification for the Top Ten, the higher place shall be awarded to the horse with the higher score for Type. If the tie remains, the higher score for Movement shall decide. If the tie still remains unresolved, the applicable ECAHO rules for ties in qualifying places shall apply.

RULES FOR CHAMPIONSHIPS

Open method with Top 10

Top Ten: Only the horses placed within the Top Ten following the preliminary individual evaluation of the relevant championship category shall be eligible for medal consideration. The Top Ten ranking shall remain confidential and shall not be disclosed to the public until the official results are announced.

All horses participating in the relevant championship shall then return collectively to the arena for the final stand-up presentation.

A minimum of six (6) judges, chosen by ballot, shall nominate individually and without discussion their choice for the Gold, Silver, and Bronze Medal Champions:

1. Four (4) points for a Gold nomination;
2. Two (2) points for a Silver nomination; and
3. One (1) point for a Bronze nomination.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion.

From the remaining horses: The Silver Medal will be awarded to the horse with the highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

Once the judges have concluded their evaluations and finalized the medal nominations, whether on the iPad or scoring sheet, and once confirmed by the Ringmaster, they shall be invited by the Ringmaster to take their place next to the horse of their choice for the Gold Medal.

All horses that are awarded in their respective championships must take part in the Championship prize-giving ceremony. Unless the Disciplinary Committee decides otherwise, in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative from the prize-giving ceremony shall disqualify the horse from the show, with all its records being deleted and the horse being disqualified from showing for a period of one year from the date of the show.

In the event of a disqualification, all horses placed behind the disqualified horse shall move up one place in the Championship.

RULES FOR TIES IN CHAMPIONSHIPS:

In the event of a dual two-way tie for the Gold Medal nominations, one reserve judge shall be selected by ballot from among the remaining judges who did not judge the championship and shall cast the deciding vote only if both owners expressly agree to break the tie.

In such case, the selected judge shall be brought to the arena to cast the deciding vote. The horse placed first shall be awarded the Supreme Gold Medal, and the second shall receive the Gold Medal.

If either owner declines to break the tie, the tie shall not be broken and both horses shall be awarded the Gold Medal.

For all other ties in a championship, except the dual two-way tie for the Gold Medal nominations, the horse with the highest total score obtained during the preliminary individual evaluation shall be declared the winner.

If the tie remains, the horse with the higher score in Type shall be ranked higher. Should the tie persist, the higher score in Movement shall decide.

Failing a decision on either of these, one judge from the preliminary individual evaluation will be chosen by ballot whose scores will be used to break the tie. The ballot will be organized by the DC team.
